Gold Beach Municipal Airport - Master Plan Update PAC Meeting #4

Date: Thursday, February 16, 2017
Time: 2:00 pm – 3:30pm, with Public Open House Immediately Following
Where: The Cannery Building – Suite D (upstairs)
(29975 Harbor Way, Gold Beach, OR 97444)

The mission of the Planning Advisory Committee (PAC) is to advise Port staff and the Planning Team, led by WHPacific, Inc., on issues of community interest with respect to providing safe, efficient and convenient air transportation for Gold Beach and Curry County residents and businesses, while at the same time maintaining and respecting the interests of the Airport's neighbors and the environment. The Port selected the PAC by choosing members that represent public and private interests as well as airport users.

The PAC meeting, which is open to the public, is scheduled for Thursday February 16th from 2:00 to 3:30 p.m. at The Cannery Building. The open house will immediately follow the PAC meeting and is intended to facilitate a discussion of the master planning process, and more specifically Draft Chapter 5 – Development Alternatives, Draft Chapter 6 – Compliance, and Draft Chapter 7 – Solid Waste & Recycling. A brief summary of the Draft Chapters will be followed by an interactive discussion

Staff will be on hand at the Open House workshop to answer questions and collect comments.

The Port of Gold Beach values and encourages input from the community about the Gold Beach Municipal Airport Master Plan Update project. Members of the public are welcomed and highly encouraged to attend this event.
